

Sketch The Equality

**A Movement Where
Inclusion Meets
Innovation**

About

Canvoos Montréal is a community-driven conference designed to move beyond awareness and celebration toward practical, measurable LGBTQ+ empowerment.

The platform focuses on education, employment, entrepreneurship, financial wellbeing, health, and inclusive leadership—bringing together corporate leaders, policymakers, educators, and community organizations in one coordinated ecosystem.

Beyond Visibility

While Pride and cultural events play a vital role in visibility and belonging, there remains a clear gap in structured platforms that support long-term economic and professional inclusion. Canvoos Montréal is designed to help close this gap by creating pathways for inclusive hiring, leadership development, skills building, and community collaboration.

Why Montreal ?

Montréal LGBTQ+ heritage, global arts scene and inclusive spirit make it the perfect host.
